The copy filmed here has been reproduced thanks to the generosity of:

Hamilton Public Library

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Hamilton Public Library

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

- Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

THIS will indeed be a month of bargains in Carpets. Never before have we bought Carpets so cheap; and we did not buy them to keep, but will sell them cheap. We have not bought a yard of inferior goods to throw into this cheap sale, but on the contrary, have made actual reductions on our regular first-class goods and from our regular low prices, which are and have always been by far the lowest in the city. ALL OUR DEPARTMENTS are teeming with bargains during our ALTERATION SALE. Don't fail to call and hear our prices. Our Dressmaking and Millinery Departments are in complete running order, and satisfaction is guaranteed in every particular.

CROWN GAS BURNER.
 The above cut represents the Crown
 GAS BURNER, which is one of the most
 useful inventions of the day. Its principal
 features are **Great Convenience** and
Saving of Gas. When turned on full
 it burns the same amount of gas as an
 ordinary gas burner, but when the right hand
 chain is pulled down it only burns 1 foot of
 gas in 24 hours, or in other words it can be
 kept burning steadily for 1 year at a nomi-
 nal cost of 50c. It serves the purpose of
 a night lamp in the nursery or sick room.
 It is the best burner in the world for bath
 rooms, cellars, vaults, etc., and will save
 its cost to buy one in a short time. No
 risk of fire by using matches. Price, com-
 plete, \$1.00 each. Call and see them in

 you mean his own.

 than any other living person. He always
 has the latest news.
 —Skowl—Ran away with the coachman,
 did she? Shabber—Yes, Skowl—Well, I'm
 sorry for the coachman.
 —Strange to say, the literary man's
 society is less to be desired when he is a-
 musing than any other time.
 —She (emphatically)—I will never marry
 you. Do I make myself plain. He (bravely)
 —Quite unnecessary. Nature has done
 this.

—Wife—Henry, isn't Gus Goebel a beer
 brewer? Husband—Yes. Wife—Isn't it
 funny a beer maker should be appointed
 water commissioner? Husband—No; the
 more a man knows about beer the more he
 appreciates water. Wife—Henry, you've
 been there.
 —Wife—John, in your sleep last night
 you talked a good deal about your type-
 writer. John—Oh, yes; the new one I
 just purchased! I dreamed that I was
 writing on it. I remember now! Wife—
 Indeed! Well, do you always hire a hack
 and buy wine when you write on it?
 —Hortense—What an awful squeeze
 there was at the Von Twilliet reception
 last night! Grace—Yes; George and I
 had to sit outside, on the steps. Hortense
 —Did the squeeze continue here?
